pepi + mesh  
task seating

“

The workforce is the heart of every business. Your colleagues need a **comfortable** and **inspiring** environment to drive the business forward. Motivated employees are key to success.

”

**PEPI + MESH** has been designed with **comfort** and **convenience** in mind. The combination of **ergonomic features** with **easy adjustment** make **PEPI + MESH** ideal for the fast paced work environment, meeting needs and requirements of the individual user.

**PEPI + MESH** offers simple yet **stylish design** at an **affordable** price — ideal for the modern workplace.

“ Pepi and Pepi Mesh combine design with comfort and functionality. Distinctive in shape, both chairs make an attractive asset to any work place. ”

“ Matching in shape and functional design Pepi Mesh can be accompanied by Colletta Mesh Cantilever (1) as a side or visitor chair. Savvi Cantilever (2) makes a perfect match for the classic upholstered Pepi task chair. ”
